Player Process Handout

About Our Organization:

Central Jersey Futsal is a futsal-only organization and is not affiliated with any outdoor club. We are club neutral and everyone is welcome. Recruiting to outdoor teams from CJF Elite Player Club by coaches, parents and players is strictly prohibited. All our coaches are licensed futsal coaches, and our curriculum focuses on individual development and growth.

Organization Mission

To develop top soccer players and futsalers on the court and in life through the sport of futsal. We believe passionately that futsal should be intentionally used as a tool for developing soccer players year-round and come first in the developing process at the younger starter age groups of 3-12 years of age. Futsal develops top level soccer players. That is the bottom line. You can take it to the bank.

Organization Goals

CJF Elite Player Futsal Club Champions Cup Series teams are designed for ELITE LEVEL competitive players who love to play and want to elevate their game. This level is for the best of the best. Most of the best players in the world developed their skills through futsal. Our goals are (1) to transform our players on and off the court through the sport of futsal and (2) provide players in the New Jersey area with the opportunity to compete at the highest level of futsal offered in the United States.

About United Futsal

United Futsal provides the highest level of competition for futsal in the United States through their Champions Cup Series. CJB Elite Player Futsal Club is a United Futsal member organization. We are one of only 24 in the nation. More information about United Futsal can be found at www.unitedfutsal.com.

Benefits Of Playing Futsal

Playing futsal naturally creates faster players with better technical skills. The smaller playing field, low bounce ball, faster surface and 5v5 format teaches players to think faster and play faster. This translates to greater skill in outdoor soccer. Futsal players also get more touches (600% more than outdoor and 200% more than traditional indoor), score more goals (a goal every six minutes, and have more FUN!

Commitment License Memberships

There are two Licensing Memberships available for this very limited program. One is for individual players and one for a team. Both licenses require an invitation to join this program and is not open to all. Both memberships are offered to the best of the best in futsal.

The program will formulate **ONLY 8 teams**. Four boys and four girls birth years 2013 to 2006. These teams will compete with the best of the best in futsal nationwide in a 24-club environment. And internationally against some of the best futsal academies, like Barcelona or Corinthians.

The program will only include of 8 teams and it will require for the best players to constantly compete for spots assuring the highest level of competitive play.

Individual Player Commitment

The Champions Cup Series season runs December 1 – August 1. Training is 2 times per month. There maybe 2 trainings throughout the season and additional training sessions prior to a tournament. Trainings are typically Sunday afternoons. The Champions Cup Series (CCS) is the highest level of futsal competition in the nation.

There are three events for a total of 15 guaranteed matches, including at least one international match, that make up CCS.

These events are:

- CCS Regionals | December 11-12, 2020 | North Carolina
- CCS Nationals | July 23-25, 2021 | Orlando Florida
- CCS World Championships | July 26-29, 2021 | Orlando Florida

Selection Process

There are eight total age groups (four boys and four girls) in the following birth years: 2013/12, 2011/10, 2009/08, 2007/06.

Players are selected to a pool of up to 18 players in each age group. From there, 10-12 players are selected to the events. At least 20% (2) of the 10-12 players selected to an event must be from the younger age group. Players who are selected to the pool must commit to attending all three events if they make the tournament roster. Exceptions will be made for illness or injuries. The roster will vary from event to event depending on commitment and performance. This is a highly competitive environment.

Club Costs & Payment Schedule

Below are the club fees and payment schedules for CJF Elite Player Club Champions Cup Series teams. Our goal at Central Jersey Futsal is to keep the game as affordable as possible.

Fundway

Don't pay for it. Earn it! Our revolutionary platform enables players to earn their league and travel costs in less than a month! FUNDAWAY™ could help make this process fun while teaching kids how to run their own business in the process AND earn more money than they ever have before in the process. Users can select up to 3 "BASIC" services and 3 "PREMIUM" services to offer to their network.

Service driven campaigns.

Instead of selling chocolate bars, magazines or other third-party products, our expert team will teach the players how to start their own local services fundraising campaign. Focusing on their extended social network, FUNDAWAY® offers each fundraiser the chance to select from our bank of innovative and proven services in exchange for the customer's purchase of the service.

How does Fundaway® work?

1. Players will choose from services offered and will be allowed to offer them to customers in their stores. Players will then customize what is offered in each of their stores based on parameters set.
2. Track the campaign's progress in real-time. Players can view by campaign, and even individual player performance briefly.
3. Keep more of the money you raise.
FUNDAWAY® campaigns have the potential to generate significant profit at a low cost during each 30- or 45-day campaign.

Scholarships & Fundraising

Keeping costs down so all players can afford to play on CJF Elite Player Futsal Club teams is our highest priority. There are scholarships available for the CJF Elite Player Futsal Club, through the Central Jersey Futsal Scholarship Player Fund. The scholarships can be applied to the annual memberships and monthly training fee for families who demonstrate need. Scholarships can not be used to play uniforms or traveling costs. Additionally, all applicants must use United Futsal "Fundway" system before being able to apply the Central Jersey Futsal Scholarship Player Fund and or use it as additional funding if need where it applies. We have a Community Board of Directors that is dedicated to this cause and committed to making sure no child is turned away for financial reasons.

COVID19

We are committed to providing REFUNDS if we are not able to participate in events due to COVID19. The payment schedule included in this handout is an estimate, but we will adjust depending on COVID19. Before collecting any payments, we will be transparent and provide you with specific details regarding refunds so you can make an informed decision. For example, we have already been told by United Futsal that if the CCS Regionals scheduled for December 11-13 is canceled the registration fee will simply transfer to Nationals.
